

DEAR RIVER EVES FAMILIES:

On behalf of the PTA Board, we are excited to welcome you to the 2017-2018 school year! PTA is an organization of parents and teachers who work together to enrich the school experience of our children. The goal of the River Eves PTA is to enhance the quality of life at our school and do our best to communicate with our families. We want to keep you up to date with all of the exciting things going on at River Eves!

The River Eves PTA funds many programs and activities that compliment classroom instruction. Additionally, it organizes events that add a little extra "fun" to the school experience and bring our families together. We invite you to explore our website to learn about all the ways the PTA supports our school. We encourage you to become a member and find a way to participate in one of the many volunteer opportunities. There is something to fit every schedule and interest. We could not do what we do without the dedication of our families. Your involvement makes all the difference. Thank you in advance for your support!

We look forward to another wonderful year as we continue to seek out new ways to strengthen our school. With your help, we can be constant advocates for our students, parents and teachers. What a joy it is to see that moment when a child finds inspiration in a new way of learning...a teacher or staff member receives sincere gratitude...or a parent is able to feel like a true member of our River Eves Family. We are so thankful for all our PTA members and can't wait to make the 2017-18 school year a great one!

Sincerely,

Teri Fischer & Alison Bounds
