

River Eves' PTA-sponsored Reflections program offers students the opportunity to express themselves and compete against other students in our school and beyond. The Reflections program provides an opportunity for students to use their talent and creativity in the categories of Literature, Film Production, Music Composition, Dance Choreography, Visual Arts, and/or Photography.

Thank you to all our River Eves students who submitted a Reflections project, and congratulations to our 2018-19 category winners (listed below). All 1st and 2nd placed entries will move on to represent River Eves at the Fulton County level.
