

River Eves' PTA-sponsored Reflections program offers students the opportunity to express themselves and compete against other students in our school and beyond. The Reflections program provides an opportunity for students to use their talent and creativity in the categories of Literature, Film Production, Music Composition, Dance Choreography, Visual Arts, and/or Photography.

Thank you to all our River Eves students who submitted a Reflections project, and congratulations to River Eves' 62 category winners. All 1st and 2nd placed school entries represented River Eves at the Fulton County level, and we are proud to announce our school's 21 entries that placed in the County-wide competition.
