

River Eves PTA School Survey

The River Eves PTA wants to hear from you.

The River Eves PTA knows that a strong partnership among our families, school leaders and community members is important to the success of our students and school. That's why we are participating in the National PTA School of Excellence program, which grows partnerships between PTAs and schools to enrich the educational experience and overall well-being of all students.

At a National PTA School of Excellence, families feel welcomed and empowered to support student success, and PTA is a key partner for continuous school improvement. We feel River Eves Elementary and River Eves PTA can achieve that together—and the result will be national, state and community-wide visibility for the positive impact we are making together at REES.

We need your help! As part of the process, National PTA requests feedback from families at two points in the school year—the beginning and the end. Your feedback will help National PTA generate a customized *Roadmap to Excellence* for us, which will provide specific recommendations for improving our family-school partnership and achieving excellence.

Please take 5-10 minutes to reflect on your experience at this school and complete the survey below. Select the option that most accurately expresses how you feel about your experience. This survey is completely anonymous.
